Certification Course for Technical Controllers of Artistic Swimming

Dear *Amateur Swimming Association of Jamaica*,

We have the pleasure to inform you that **PanAm Aquatics** will be conducting a new Certification Course for Technical Controllers of Artistic Swimming.

The certification will be carried out by Kara Heald and Leslie Sproule, both AQUA Instructors, and will be 100% in English, including a **MANDATORY** exam.

Your Federation has two (2) first-priority-quota and one (1) second-priority-quota for this certification. The second-priority-quota is subject to other declinations. If the second-priority-quota is accepted, it will be confirmed by the PAQ Artistic Swimming Committee by April 12, 2024.

It will be held on the following days and times:

1. April 17 (Wednesday) = 11:00 - 14:00 ET
2. April 20 (Saturday) = 11:00 - 14:00 ET
3. April 21 (Sunday) = 11:00 - 14:00 ET
4. May 4 (Saturday) = 11:00 - 14:00 ET
5. May 5 (Sunday) = 11:00 - 14:00 ET

Considering that the quotas are limited and highly required by other Federations, the nominated person must commit to participate in the course and take the exam.

Not later than April 10, 2024, please send the following information of the designated person(s):

1. Full Name
2. E-mail
3. WhatsApp
4. First or second priority-quota (if applicable)

Kind regards,

Victoria Montedónico
President Artistic Swimming Committee
