

January 13, 2020

To: All Clubs, Coaches & Swimmers

The results of the ASAJ BB Distance Development Meet 2019 have been amended to ensure compliance with the Meet Summons.

Due to a last minute advisory and compiling of the meet, a necessary preparatory step to ensure alignment with the summons was missed. A decision has been taken by the Council that the necessary deletions be done to correct this situation.

Please accept my apology for any inconvenience caused.

Best regards,

Shauna Jackson
